Dear Mr. Butler:

This correspondence is in response to your Request for Additional Information (RAI) for the above referenced report.

The February contribution was a presumptive reattribution of the excessive portion of a contribution made via a written instrument with more than one individuals name imprinted on it. In July, the contributor declined the reattribution and instead requested that the excessive portion be treated as a donation to the committees federal recount account. The affected reports have been amended.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Anthony W Parker
Treasurer
